

NSCR ENVIRONMENTAL POLICY

Environmental Awareness

We see protecting the environment as part of our core values. In taking measures such as those outlined below, we aim to continue to reduce our environmental footprint. Care for the environment is one of our key responsibilities. We aim to inspire our staff, vendors and clients to do the same.

In this policy, Narrabri Shire Community Radio (2MaxFM 91.3) commits to:

- Understanding and managing our environmental risks with the goal of minimising or eliminating those risks.
- Ensuring the environment is considered in our investment and corporate strategies, procurement and the products and services we offer.
- Actively working to minimise pollution, manage waste streams and address relevant biodiversity issues.
- Engaging with our customers, employees, volunteers and shareholders on environmental issues and transparently reporting on our environmental performance.
- Complying with all applicable legal and regulatory requirements

Our Policy

Our environmental policy reflects our commitment to environmental sustainability and our precautionary approach. It also demonstrates our awareness that our actions are important for our clients, our employees and volunteers and our business performance.
